Protecting your most valuable assets since 1965

Why Murphy Fence?

Dependable- Murphy Fence Company has been a family owned business since 1965 so you can be rest assured we will be there in the future to service your fencing needs.

Reliable- Murphy Fence is a proud member of the AFA (American Fence Association) ensuring that you are dealing with a reputable company that adheres to the high standards laid out by the Associations ethics. We are the only fence company in South Jersey with certified fence professional status. This is the top certification for professionalism and ethics in the fence industry.

BBB A+ Rating- Murphy Fence is fully insured for your protection and works diligently to keep our rating of A+ with the Better Business Bureau.

Warranties- With your new fence installation we provide you with a Lifetime Warranty on the vinyl material and a 2-Year Workmanship warranty on the installation of your fence.

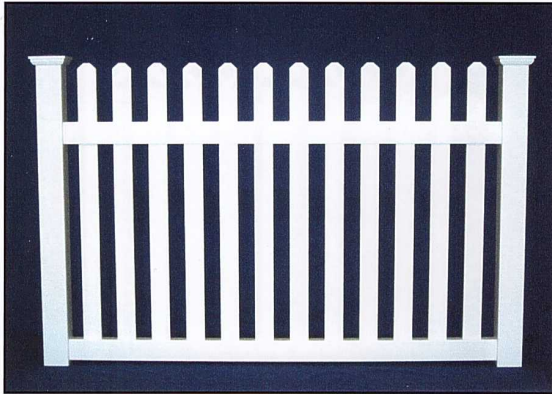

Quality- Murphy Fence provides only quality PVC materials **made right here in the USA!** We will provide you with full cut sheets on all fences upon request.

Selection- Please check this catalog for some of the options available. We fabricate our vinyl fence material in house and can make any custom style for your home. If you have a style in mind that you don't see in this brochure feel free to mention it to one of our sales staff and we can duplicate or build it to your specifications.

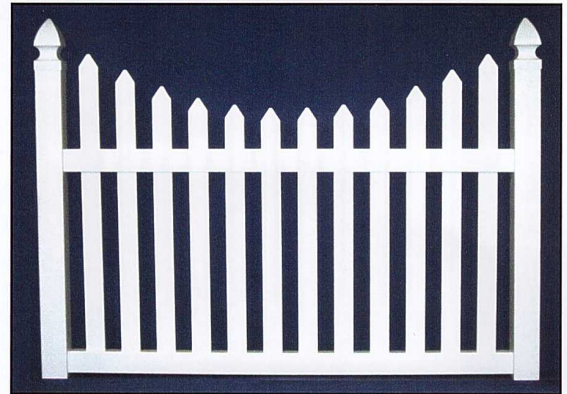

Do It Yourself- We offer materials sold over the counter for anyone who wishes to install their own fence using the top quality materials we manufacture.

Ranch Rail Fence

Ranch Rail fence is made up of a combination of 1.5"x5.5" rails stacked in 2, 3 and 4-rail combinations to achieve different height fence. Rail fencing has been used traditionally to mark perimeters, dress up landscaping and for animals. This is a cost effective way to close in a large property with a maintenance free fence. Posts can be 4x4 or 5x5 and are 3' longer than the height of the fence and concreted into the ground with wet mixed concrete.
