COMPANY OVERVIEW

Patriot Aluminum is a family business based out of Denton, MD and services the East coast. Specializing in the manufacturing of the highest quality aluminum products!

With ownership from the military comes organization, consistency, and service you can depend on! This provides you and your customer with a satisfaction guarantee.

With products ranging from residential grade to industrial and multiple color choices available to ensure your project needs are met, using our products that are built to last.

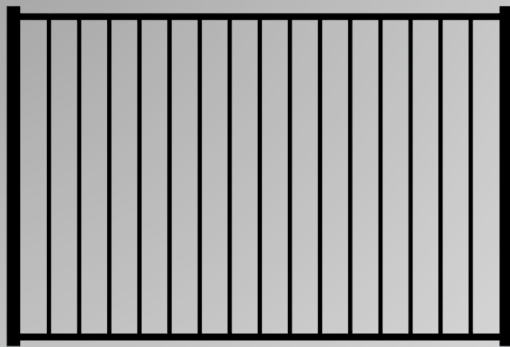

The Patriot Advantage

We have our own patented rail that allows a slope of 10-12" without the look of a double punch stringer. The design of our rail has an internal feature that allows the picket to have room to rack without causing any dimpling.

In comparison to other lines of highly rackable panels, we did not compromise on a screwed system. We created a design with screws for easy repairs when needed, while reducing the sound of rattling screws that you see with other manufacturers.

WARRANTY INFORMATION

At Patriot Aluminum we want to equip you with the tools you need to set you apart from the competition. A quality product is backed with a great **warranty!**

LIMITED LIFETIME WARRANTY
www.patriotaluminum.net - sales@patriotaluminum.net - Denton, MD

We want to thank you for your purchase from Patriot Aluminum LLC. In order to activate this limited lifetime warranty you must return the completed warranty registration within 30 days after the product is picked up or delivered. This warranty is applicable to the original purchase and cannot be transferred to another party. Please read the below information in its entirety for the complete information about the warranty coverage.

What Our Warranty Covers?

- Paint cracking (excluding the hardware)
- Peeling (excluding the hardware)
- Chipping (excluding the hardware)
- Factory defects

What Our Warranty DOES NOT Cover?
This warranty is not applicable in harsh environmental conditions, including marine or salty areas, or exposure to corrosive elements.

- Problems caused by improper installment
- Damage due to altering the material, negligence, abuse, accident, or in transit
- Appearance changes caused by normal weathering
- Damage due to airborne chemicals or air pollution
- Appearance changes caused by application of paint, chemicals, and varnish

Once this warranty is activated, Patriot Aluminum is limited to the repair or replacement of the defective material only, it does not cover reimbursement for the removal and reinstallation costs.

If the material has any of the above defects covered under warranty, the original purchaser must provide proof that the material installed is Patriot Aluminum products in addition to submitting this form in its entirety. Patriot Aluminum requires photos of the issue and a written description of the issue. If Patriot Aluminum deems the issue to be covered under warranty, the customer will receive a written notification and if it is not covered under warranty Patriot Aluminum can refuse the claim and charge the customer at their discretion.

This warranty cannot be modified, amended, or supplemented without written approval from Patriot Aluminum. No other agreement is valid, neither written or implied. Patriot Aluminum is the sole entity capable of expressing any kind of warranty.

This warranty provides you with specific legal rights and depending on state, you may have additional rights. It is the responsibility of the end user to know these rights in their jurisdiction. If you have any questions regarding Patriot Aluminum Limited Lifetime Warranty please contact your Patriot Aluminum sales representative.

Our Limited Lifetime Warranty is clear and concise to ensure you can easily communicate to your customer what is covered and what is not.

A good warranty not only gives you an extra selling tool, but also provides your customer peace of mind that the investment they have made is protected!

Once we receive the warranty form, you will receive a certificate that means your warranty is activated!

This is a great document to share with your customer!

PATRIOT ALUMINUM

CERTIFICATE OF LIMITED LIFETIME WARRANTY

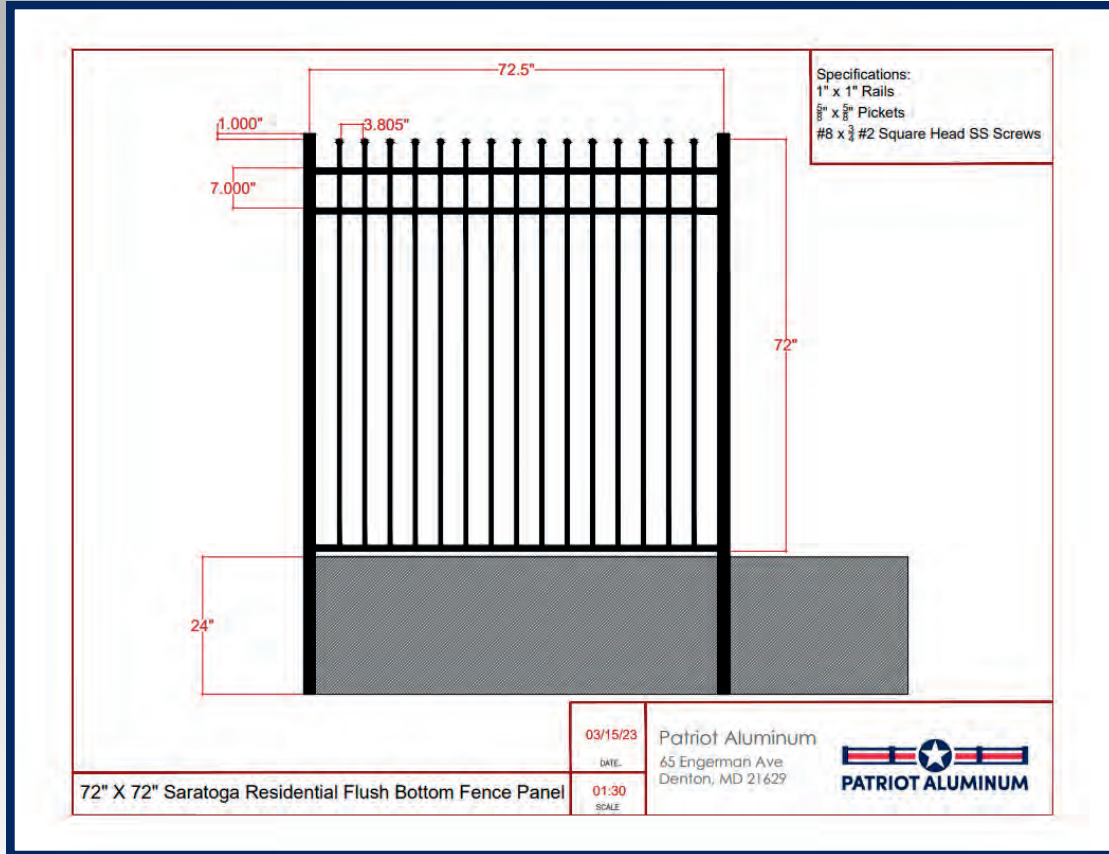

Patriot Aluminum warrants the activation of this limited lifetime warranty. This ensures that the products purchased from Patriot Aluminum will be free of defects such as paint cracking, peeling, chipping, and any other factory defects. This warranty does not apply to defects caused by harsh environmental conditions, problems caused by improper installment, altering the material, or damages caused by the application of paint, chemicals, and unapproved cleaners.

No person has the authority to change or modify this warranty. This warranty provides you with specific legal rights.
